High School to College and Career Pathways

SKILLED AND TECHNICAL SCIENCES

Skilled and Technical Sciences (STS) Education prepares students for employment and/or continuing education opportunities in skilled trades and other technical occupations, as well as promoting quality programs based on recognized industry standards.

COMMERCIAL PHOTOGRAPHY

Workforce Trends

The number of portrait photographers is projected to increase along with the population. New opportunities should arise with Internet-based media companies, but keen competition is expected.

Get the Facts

The word "photography" comes from the Greek words for light and writing.

Beyond High School

There are a number of options for education and training beyond high school, depending on your career goals.

Sample Occupations

- > Camera Operator
- > Photographer
